Dear Admissions Office,

My name is Amina Amantay, and I am a student from Kazakhstan currently completing the 12th grade at the Nazarbayev Intellectual School (NIS). I am very interested in applying to the Bachelor's degree program in **Industrial Engineering – Operational Excellence in Industry** at LIUC.

As requested, I am submitting the following documents for your kind review and evaluation:

1. My high school transcripts for the last two years
2. Proof of English proficiency – [TOEFL IBT / IELTS / school completed in English]
3. Confirmation of my TOLC-I test result

Please let me know if you require any additional documents or information. I would be very grateful for your confirmation that my documents are suitable for the application process.

Thank you very much for your time and consideration.
I look forward to your response.

Best regards,
Amina Amantay
