Subject: Conditional Offer

Dear Yasmina Gaissenova,

We are pleased to inform you that you have been conditionally accepted to the Business Administration Undergraduate Program at the Middle East Technical University Northern Cyprus Campus (METU NCC) for the Fall 2025 semester. In addition, a 25% tuition fee waiver scholarship has been awarded to you by the Admission Committee. On behalf of everyone at our campus, we congratulate you on your success. We were very impressed by your academic history and achievements and feel that you would make an excellent addition to the METU alumni.

At METU NCC, the maximum duration for this scholarship is five years in undergraduate degree programs, which are four years in length, plus one year in the English Preparatory Program if required. Students who attend the English Preparatory Program for one year and earn an overall score of 50.00, or above, during the relevant academic year or those who score a minimum of 50 on a METU English Proficiency Exam will continue to receive the scholarship for another year. For further details, please visit <https://international.ncc.metu.edu.tr/en/tuition-scholarships>.

Please note that this is a Conditional Acceptance. When the amount specified in the attached invoice is received by METU NCC, the final Acceptance Letter confirming that you have paid the first semester's fees before July 25, 2025 will be issued. You will need to provide this letter when submitting your visa application. Once the tuition and registration fees have been paid, you will receive the final Acceptance Letter and secure your place in the Business Administration Undergraduate program. This offer is valid until July 25, 2025. Please be aware that we might not be able to grant you the same scholarship if you ask us to extend the deadline for this offer.

Students admitted will need to hand in their original high school diplomas, which indicate that they have completed all the requirements of their high school education, at the time of registration.
