Dear Kamila,

Congratulations and welcome! You have been admitted to Skidmore College.

Everyone who reviewed your application came to the same conclusion: You will soar at Skidmore, where Creative Thought Matters.

You are receiving this “yes” today because you stood out in one of the most competitive applicant pools in our history. We celebrate who you are today and look forward to seeing you create who you will become at Skidmore, where a liberal arts education opens doors to new worlds. Along the way, we promise to offer the community, curriculum, and connections that will help you shape that path, but the ultimate destination will always be up to you.

All offers of admission are contingent upon the successful completion of this academic year at the same high level of achievement presented to the Office of Admissions for review, submission of official SAT or ACT results matching self-reported information, and continued good citizenship.

Please complete the Enrollment Reply Form within your Applicant Portal by February 26, 2025, and submit the non-refundable \$500 general deposit. As you know, by signing the Early Decision Commitment in your application, you must withdraw all other college applications once you enroll.

Please accept my warmest congratulations on your many accomplishments, Kamila. The entire Skidmore community looks forward to welcoming you to campus.

Sincerely,

Jessica Ricker
Vice President for Enrollment and Dean of Admissions & Financial Aid
