

INSTITUTIONAL RELATIONS AND COMMUNICATION OFFICE

Date: 29.05.2025
Ref. No: 83521
Subject: Provisional Offer

Dear Zhiger Orazbek,

We are pleased to inform you that you have been provisionally accepted to the Aerospace Engineering Undergraduate Program at the Middle East Technical University Northern Cyprus Campus for the Fall 2025 Semester based on your current academic progress records provided. A 100% tuition fee waiver scholarship award is suggested by the Admission Committee given that you secure the anticipated grades that you submitted in your application. This offer is valid by June 28, 2025. If you decide to accept this offer, you are required to make a non-refundable 'Advance Payment' of 750 USD in order to secure your seat in the program. The remaining fees shall be paid after you get your conditional offer letter. Advance Payment is a non-refundable deposit to be counted towards the first-semester tuition/dormitory fee. If the advance payment is not received by the due date, METU NCC will assume you do not accept the offer, and thereby may not be able to guarantee you the same offer/scholarship in the future.

Please note that this is a provisional offer based on the anticipated grades provided in the application process. The final admission will be granted only if the final grades of the applicant meet the minimum criteria announced by METU NCC on the Prospective Students pages. The final decision on awarding a tuition fee waiver scholarship will be made given that the final grades of the applicant are within the range of the grades needed for the scholarship, details of which are provided on the METU NCC Prospective Students web pages. The deadline for submission of the final grade report is September 1, 2025. Once the final grade report is received, you will be issued a conditional offer that includes the final decision on your admission and tuition fee waiver scholarship and an invoice that contains tuition and fees for the first semester. An acceptance letter will be issued only after the full payment of the first semester's tuition and fees indicated in the invoice is received.

If you have any questions or problems, please feel free to contact us by e-mail at nccapply@metu.edu.tr. We look forward to hearing from you.

We wish you all the best and thank you for choosing METU NCC.

Sincerely,

İlker ÖNER (PhD)
Director of Student Affairs Office
